Cleaner for dry cleaning - having high detergency and dissolving
power, contg. unsatd. chloro:fluoro:hydrocarbon(s)
C90-136209

E(10-H2B) F(3-J4) G(4-B8)

A new cleaner for dry cleaning contains 3C unsatd. chlorofluorohydrocarbons, pref. one or a mixt. of 1-chloro-2-fluoropropene, 2,3-dichloro-3,3-difluoropropene, 1,1-dichloro-3,3,3-trifluoropropene, 1,2-dichloro-3,3,3-trifluoropropene, 1,3-dichloro-1,3,3-trifluoropropene, 1,3-dichloro-2,3,3-trifluoropropene, 3,3-dichloro-1,1,3-trifluoropropene, and 3,3-dichloro-2,3-difluoropropene. The cleaner opt. contains at least one of hydrocarbons, alcohols, ketones, halogenated hydrocarbons, and surfactants.

USE/ADVANTAGE - The cleaner has high detergency and dissolving power comparable with that of conventional R113, without impairing plastics and metals (e.g., buttons and ornaments). (4pp Dwg.No.0/0)
